Create Timesheet

Step 2 — Daily/Weekly: Fill Timesheet in Client VMS System

Important:

The working hours and activity **must match** what is entered in iShine.

Step 3 — Capture VMS Filled Screenshot

Once daily/weekly VMS entry is complete:

- Capture the **Filled VMS Timesheet Screenshot**.
- Upload this screenshot in iShine as *Attendance Proof*.

This replaces the Excel screenshot required in the “No VMS” scenario

Step 4 — Continue Daily Process Until Month-End

There is **no daily approval** required in iShine.

Client final approval happens **only inside VMS**.

The daily cycle is:

iShine Entry → VMS Entry → Upload Filled VMS Proof

Step 5 — Month-End: Client Approval & VMS Final Proof Upload

At the end of the month:

1. **Resource ensures all entries in the Client VMS system are completed** for the entire month.
2. The Client VMS system will then **mark the attendance/timesheet as “Present”, “Approved”, or equivalent final status** based on the client manager’s workflow.
3. Once the VMS reflects this final approval/confirmation status, the resource must:
Download the final VMS-approved screenshot/PDF
4. This **approved VMS document** is the **only proof** to be uploaded for month-end closure.

This approved VMS proof will then be uploaded in iShine → Bulk Final Document Upload.

Step 6 — Upload Final VMS Approval in iShine (Bulk Final Document Upload)

Accessing Bulk Final Document Upload

On the **My Timesheets** page, click the tab:

Bulk Final Document Upload

The screenshot shows the iShine web application interface. On the left is a dark blue sidebar with various icons. The main content area has a light blue header with the user's name 'Shaheel' and a dropdown arrow. Below the header, there are three tabs: 'My Timesheets' (selected), 'Team Timesheets', and 'All Timesheets'. Under the 'My Timesheets' tab, there are three buttons: 'Create New Timesheet', 'Bulk Final Document Upload' (highlighted in blue), and 'View My Timesheets'. The main content area is titled 'FINAL DOCUMENT BULK UPLOAD'. It features a form with a label '*Project' and a dropdown menu. The rest of the page is a large, empty light blue area. In the bottom right corner, there is a small blue circular button with a white menu icon.

3.3 Filling the Bulk Upload Details

Once the page opens:

4. Select your **Project** from the dropdown.
5. Enter the **From Date** and **To Date** (period for which you are submitting the bulk attendance).
6. Upload the approved attendance document under **Bulk Approval Proof**.

Accepted formats:

- Excel
- PDF
- Image (if client approval is shared as a screenshot)

Upload

3.4 Submitting the Bulk Upload

- After selecting the project, date range, and attaching the approval proof, click **Upload**.
- The uploaded document will be used for final timesheet verification and approval by ApMoSys.

This document is mandatory for month-end closure.
